We were a competitive 5-15 team behind great pitching from starting pitchers Sam Loranger, Mason Blanchette, Zach Conn, Alex Johanesen and relief pitching from Gavin Giardino, John Roscigno, Cooper Yusko and Colin Porter. We competed in every single ball game and the season was highlighted by 2 No-hitters, one by Zach Conn vs Immaculate and then a combined No-Hit shutout by Sam Loranger, Colin Porter and Alex Johanesen vs Kolbe Cathedral. We Also knocked off State Finalist Bunnell at home 3 -1 behind the pitching of Mason Blanchette's 2-hit performance. – **Coach Muller**

This 2015 spring season, the boy's golf team was very competitive and was a "tough out" in the South-West Conference. Justin Magistrale and Peter Lazorchak were standout's who led the team to the victories we achieved. There were many participants in our varsity matches as 9 different players played in our varsity competitions. Next season, we have many returning players with varsity experience and we look to qualify for both the SWC Tournament and the Division III State Tournament. Some of those players include Justin Magistrale, Nick O'Connor, Sean Stoeppel, Jack Sommerfeld and Pat Clancy. The team started to show signs of improvement as the season came to a close, including winning our final match of the season quite convincingly. We are looking to taking that momentum into next spring as the boys have expressed their willingness to work diligently on their game over the summer and fall months. Overall, we look forward to the challenge at staying competitive and successful in the historically skilled SWC golf field. – **Coach Brenia**

After being 0-14, then 1-13 and now 4-10, I would say that Brookfield Girls Golf is on the move! We are still a very young team, but played well enough to take 3rd in the SWC Tournament held on June 2nd. One player placed 4<sup>th</sup> overall in the individual scoring during the SWC Tournament at Orange Hills Country Club as well. The team was led by "Most Valuable Player", sophomore Julianna Sweet and Captain Rebecca Bain. There is very good potential over the next couple of years and the girls had a fantastic time learning the game and enjoying the season and each other. I was very privileged to coach this fine group of young ladies and the future of the program looks very bright. - **Coach Laughlin**

The Brookfield Bobcats Boy's Lacrosse team started off slow this season but won 4 of their last 5 games to qualify for the State Tournament where they defeated Pomperaug 12-11 in the 1st Round before bowing out in the 2nd round to State Finalist Daniel Hand in a very hard fought 9-7 game. The team had 2 SWC All Div I players with Andrew Collins & CJ Post, along with 4 All Div I Honorable Mentions, who were Will Lawrence, Tommy Petrellese, Harrison Manesis & Goalie Mark Dufresne. Looking forward to building on the momentum we had at the end of the season. – **Coch Smith**

Girl's Lacrosse finished in 3rd place for Division I with a record of 9-5-1 and made it to the semi-finals of the SWC after defeating New Milford 11-10. The girls played a valiant game but were defeated by eventual SWC champion Joel Barlow 9-8. The Girls were knocked out in the 1st Round of the State Tournament in overtime by a tough Avon team 14-13, which prevented a 3rd match-up with Barlow in the 2nd round. The Team had 3 All-State players with Emily Stoeppel, Jill Fisher & Goalie Teja Gallop receiving honors. The 3 also were named to the SWC All-Conference Team. The varsity softball team had a very good year improving our record from 8-13 in 2014 to an overall record of 17-7 and Patriot Division champs this season. In the SWC conference tournament we beat Masuk in the quarter finals and lost to Joel Barlow in the semi-finals. In the CIAC State Tournament we were ranked 6th in CLASS L and beat New Fairfield in the 1st round before losing to Nonnewaug in quarter finals. Chelsea Coleman received SWC All-Conference Recognition this year and Jess Lionetti, Morgan Grady, Sam O'Brien, Danni O'Brien, Heather Morey, and Cara Lennon all received SWC All-Patriot Division honors. Also, Sam O'Brien was invited to play in the Junior Select game run by the CHSCA at the end of the year. I am anticipating nothing but good things in 2016 for the team. We will be very competitive in both the SWC and the State next year and fully expect the players to work very hard to achieve their goals. We have a winning program and we will continue that for many years to come – **Coach Castellano**

As often happens in the Spring, cold weather and snow affected the start of the season. We had some really close matches, and the girls put out a really good effort. We did send 5 girls to the SWC Individual Tournament and Lindsey Zaleski, in 4th singles, made it to the finals. It was really good for the team to have an additional coach because Mrs. Egan brought with her another perspective and was able to give the girls different pointers on how to do things better. It certainly was a nice bunch of ladies to have the opportunity to coach. – *Coach Gregory*

## In Closing

I wish to congratulate all of our teams, our coaches, and especially our student athletes on an outstanding and very memorable season!

To our senior athletes, I wish you well this summer and in all of your future endeavors. Remember your time here at BHS fondly, as there is no feeling like competing on the field of play with your schoolmates, sharing a collective focus and a common goal while building a special and lasting bond as you worked together to achieve greatness.

The brothers and sisters you call teammates will forever be a part of your youth and the connection you share with them can never be broken, because you will forever be a part of the Brookfield Community and the long standing, distinguished tradition of Brookfield Athletics. Be proud of your accomplishments no matter how great or how small because success is not measured by wins and losses alone, it is measured by the friendships you've made along the way and the obstacles you overcame *together*.

To our underclassmen, continue to work hard and be the best you can be on the field and in the classroom. Play every game and every play as it is your last because before you know it, you will be the outgoing seniors and you will want to leave the field of play with no regrets.

To our Administrators, Teachers, Students, Parents and other Community Members, I strongly encourage everyone to continue to support our athletes by attending our Sporting events and cheering on our teams as they represent Brookfield and strive for excellence.

It has been my extreme pleasure to lead the Athletic Program here at Brookfield High School and I am extremely grateful for the opportunity to watch all of you compete to the best of your ability and represent this fine community with honor, dignity, and integrity. I look forward to future seasons with excitement, eagerness and enthusiasm.
