Strategic Coherence - GOALS

STRATEGIC COHERENCE OUTCOME 1: GOALS FOR LEARNING – INITIAL STRATEGIES:

STEP #	ACTION	OUTCOME
1	Establish agreed upon language regarding student learning and learning targets. These targets will be consistently implemented and applied across curricular areas Pre-K - 12.	Documentation of agreed upon student learning targets with District Curriculum Committee/Sub Committees consistent and coherent language both across and within grade levels and content areas.
2	Develop a system and schedule for revising curriculum documents Pre-K-12.	Regularly revised curriculum documents aligned with current standards and best practices which serve as the blueprint/guidance of teaching and learning.
3	Define priority skills in four high leverage areas in this SCP: Communication & Collaboration, Critical Thinking and Problem Solving, Creativity & Innovation, and Character & Connection.	Specific outcome descriptors for 2nd, 4th, 8th and 12th grades articulated in district curriculum document.

STRATEGIC COHERENCE OUTCOME 2: TEACHING FOR LEARNING – INITIAL STRATEGIES:

STEP #	ACTION	OUTCOME
1	Commission Revision Learning to facilitate leadership capacity building.	Improved instruction, active engagement, and student achievement by ensuring effective calibration and instructional feedback is provided to staff.
2	Create a plan, inclusive of rubrics, to develop staff capacity and resources to use digital learning and other identified best practice strategies to support student learning.	Effective differentiation of instruction to support student learning and develop critical and creative thinking as measured by walk-throughs and classroom observation rubrics and instructional planning documents.
3	Provide differentiated professional development opportunities to support faculty in providing/receiving effective instructional feedback to each other and their students.	Improved student engagement, higher order thinking, and positive learning culture as evidenced by student achievement measured by rubrics using Webb's Depth of Knowledge (DOK), including Level 4 (Complex Reasoning/High Cognitive Demand).

STRATEGIC COHERENCE OUTCOME 3: MEASURES OF LEARNING – INITIAL STRATEGIES:

STEP #	ACTION	OUTCOME
1	Constitute and Implement a District Data and Assessment Team	Create and implement a consistent philosophy/ practice regarding the purpose and process of assessment in the district.
2	Establish consistent protocols for data review at the following levels: Classroom, Grade Level, Building, District. Implement systematic ongoing data team schedule at all levels. Provide opportunity for peer observation/ coaching.	Improve the data/feedback capacity of grade level and school-based data teams and establish the district-wide Data and Assessment Team for the purpose of improved student performance in critical content and skill areas identified through The district's goal-setting practices.
3	Deliver ongoing professional learning support to all faculty.	Improve technical assessment capacity of leadership and instructional staff to regularly, systematically and purposefully analyze student data to inform decision re: adult professional learning, curriculum and instruction.
4	Create learning materials and opportunities to build the assessment literacy of parents and community.	Increased mutual understanding and improved communication between parents and educators, parents and students, educators and students, the district and the community re: assessment of learning. Authentic and Transparent communication of instructional effectiveness and student achievement.

STRATEGIC COHERENCE OUTCOME 4: ALIGNMENT AND COHERENCE – INITIAL STRATEGIES:

STEP #	ACTION	OUTCOME
1	Research, explore, select acquire and implement an assessment data warehouse capable of supporting the district's identified student achievement goals, consistent with the stated assessment philosophy and practice	Timely information and feedback to teachers, students and families on student progress towards learning goals. Inform on- going instructional planning and decision making to improve student learning outcomes.
2	Improve the district-wide capacity to support digital learning.	Increase digital instructional opportunities to support students' fluency, capacity and independence with technology for learning.
3	Implement BlumShapiro Consulting recommendations for business and financial procedures and controls.	A reliable and responsive district business and school office support structure.
4	Adopt and implement CAFE policies.	Legislatively compliant Board of Education policies to support district operations.
5	Develop grade level organizational configuration Pre-K-12.	Educational setting that best addresses students' physical, intellectual, social and emotional needs in the context of the Brookfield Community.
6	Create an action plan to implement new grade level configuration for the district.	A blueprint and financial plan to support the agreed upon District configuration for Pre-K-12.
7	Consistently inform and engage the community on the progress of the Strategic Coherence Plan.	Engaged, supportive and informed students, staff, families and Community.

District Implementation Plan- Goals

Goal 1

•**Leadership Development and Capacity Building:** Through leadership development Brookfield educators will collaborate in professional learning communities that foster continuous improvement, innovative and high leverage instructional strategies, and lifelong learning. Through on-going reflective supervision and feedback, professional development will be targeted to students' and staff's learning needs. *ADULT OUTCOMES*

Goal 2

•**Student Achievement:** Increase the academic achievement of all students ensuring that every student has access to rigorous, high quality, vertically aligned K-12 learning experiences by providing students opportunities to problem solve, comprehend increasingly complex texts, and write cohesive, evidence supported arguments. Instruction will engage students through highly effective teaching strategies, including the integration of computer technology; the use of student data to drive instructional decisions; and job embedded, ongoing professional development. *STUDENT OUTCOMES*

Goal 3

•**Curriculum, Instruction, and Assessment:** Curriculum (what we teach), instruction (how we teach), and assessment (how we know students are learning) are at the heart of the work we do in the Brookfield Public Schools to ensure that every Brookfield High School graduate is empowered to become a critical thinker, problem-solver, effective communicator, global citizen, and life-long learner through rigorous, relevant and comprehensive educational experiences, expansive student opportunities, and active community involvement. *ADULT/STUDENT OUTCOMES*

Goal 4

•**Culture, Climate and Communication:** Students learn best in a physically and emotionally safe and supportive school environment that promotes student learning by fostering self-reliance, willingness to share ideas, positive relationships, and a sense of belonging to the school community. Positive school climate nurtures mutual respect, listening to others, and assuming responsibility. Each school and the district will provide ongoing communications and build partnerships among students, staff and other adults in the school community. *COMMUNITY OUTCOMES*

2017-2018 Budget Assumptions

The Brookfield Board of Education's Strategic Coherence Plan (SCP), District Implementation Plan (DIP) and School Implementation Plans (SIP) are based on a theory of action that supports students in acquiring the knowledge, skills, values, character and passion necessary for life-long learning.

As a result, students will be challenged, prepared and inspired to contribute as productive members of the workplace, family, and society in a rapidly changing world.

In support of the Strategic Coherence Plan, the Board recognizes its responsibility to develop a 2017-2018 operating budget that:

- Provides sufficient and appropriate resources
- Promotes continuous improvement
- Affords sufficient flexibility to respond to changing needs and contingencies
- Provides for necessary maintenance and improvement of school facilities
- Represents value in the eyes of the community

2017-2018 Budget Assumptions

Thus, it is important that the Board's operating budget:

- Maintains our commitment to ensuring appropriate district & school organizational structures that support intentional implementation of the Strategic Coherence Plan (SCP)
- Maintains and continues to enhance established program improvements while remaining responsive to changing needs
- Continues to attract and retain a highly competent faculty and staff within a culture that fosters professional growth
- Seeks to maintain Board approved practices concerning class sizes, while adjusting staffing patterns to reflect enrollment changes and achieve efficiencies
- Provides the necessary resources to address the social and emotional needs of students
- Provides for a rigorous, relevant curriculum using best practices in instruction, assessment, and digital learning
- Provides the technology infrastructure and professional learning that effectively supports students' success in a digital learning environment
- Meets all Federal and State Mandates, including IDEIA
- Meets all funding requirements for contractual obligations including transportation, technology leases, and collective bargaining agreements
- Provides funding to meet all requirements for Board of Education policies and practices
- Reflects continuing cost-containment efforts, without the imposition of participation fees.

Unfunded Mandate Considerations

New Special Education Funding Formula, New Data Privacy Legislation, Next Gen Science Standards Implementation, Implement Social Studies Standards, Physical Management Training, Limitation on background checking criminal history, Expulsion- 25 hrs/wk tutoring, Burden of Proof Legislation, MBR- Municipal Spending Cap 2%

2017-2018 Budget Priorities

Leadership:

- Continue Improvement of Leadership Capacity

Curriculum/Assessment/Instruction:

- Establish classroom libraries K-8 that are standards aligned and curriculum integrated
- Explore extension of World Language Lab application at BHS
- Investigate options for World Language Lab at WMS
- Continue to support faculty capacity development aligned to student assessments and teacher evaluation data
- Meet the needs of and improve outcomes for struggling learners
- Continue to develop assessment literacy of professional staff
- Continue to support integrated curriculum development
- Implement an analytics & assessment digital data warehouse

Operations & Facilities:

- Continue to implement MUNIS and the remainder of the BlumShapiro recommendations
- Support the Ad Hoc Committee work to evaluate, analyze and plan for facility re-organization
- Upgrade servers & switches and upgrade band width in all schools
- Upgrade classroom presentation and digital integration technology

Budget Drivers

- Strategic Enhancement (next slide)
- Implementation of State Standards
- Contractual Collective Bargaining Obligations
- Employee Benefit Costs (8% increase)
- Special Education Costs
- English Language Learner Enrollment (21% increase)
- Utilities
- Transportation Costs
- Adherence to Established Class Size Criteria
- Unfunded Mandates

Strategic Enhancements 2017-2018

We have to prepare the students for their future not our past.

- Hire BHS 1.0 Reading Teacher
- Hire WMS 1.0 Reading Teacher
- Implement NextGen Science Standards K-12
- Implement S.S. Curriculum Framework K-12
- Discontinue K-2 World Language Program making room for Science and Social Studies Instruction
- Increase Kindergarten Instructional Time 66 hours by eliminating early dismissal Mondays
- Restructure WMS Grade 5 Teaming Model
- Pilot Program Grade 6 WMS Enrichment
- Implement World Language Lab BHS
- Technology- One to One/ Bring Your Own Device, Presentation Stations, Band-Width
- Implement PowerSchool Analytics & Assessment Platform
- Increase Teacher Collaboration Time After School Hours (New Contract)
- Budget for Athletics (Eliminate Pay to Participate)

NOTE: The Majority of the Strategic Enhancements are Budget Neutral.

Teacher Additions

•BHS: 1.0 Reading Teacher	\$ 80,000
•WMS: 1.0 Reading Teacher	<u>\$ 80,000</u>
	\$160,000

Staff Reductions

- 4.0 FTE Para Educator Positions due to Changing Student Needs (\$160,000)

• 1.5 FTE K-2 Spanish	(\$120,000)
• .5 BHS Writing Center Staff	(\$18,000)

Net Savings: \$138,000

****Net 4.0 less FTE for 2017-2018**

Enrollment Projection 2016-2017 Compared to 2017-2018

Current 2016-2017 (as of December-2016)

PK, K, 1	CES	367
2, 3, 4	HHES	532
5, 6, 7, 8	WMS	916
9, 10, 11, 12	BHS	855
Outplaced		<u>18</u>
TOTAL		2,688

Projected 2017-2018 (as of December- 2016)

PK, K, 1	CES	325	(42)
2, 3, 4	HHES	520	(12)
5, 6, 7, 8	WMS	865	(51)
9, 10, 11, 12	BHS	865	+10
Outplaced		<u>18</u>	
TOTAL		2,593	(95)

- CES reduced by 1 Kindergarten section
- HHES is projected to have 1 more section reallocated from CES
- 2016-2017 Students with Special Needs- 355 (13% identified- State average is 14%)
- 2016-2017 ELL Students- 95-(increase of 21% over last year)
- 2016-2017 Free & Reduced Lunch- 265-(increase of 7% over last year)
- Commensurate reduction of 4.0 FTE with anticipated enrollment decline of 95 students. However, the projected low kindergarten enrollment does not match recent experience. It's likely we will have 40-50 less students rather than 95.
