

Community RelationsPublic Performances by Students

Student groups or individual students may be requested to perform for specific public, civic or government functions. Any student or group of students giving a public performance as a representative of the Brookfield School District shall first secure permission of the building administrator. Performance shall be in keeping with the general goals and objectives of the educational programs of the Brookfield schools.

Students shall not receive any remuneration for such performance. Transportation and other expenses to non-school functions shall be paid by the sponsoring agency.
