## Grade2

### ART w/Mrs. Meadows-

Second graders are working in collage. Students will be working on special art show projects. The date for the art show is TBD. Stay tuned for updates.

### HEALTH/PE w/Mr. Cudney & Ms. Olivier

Second graders have been learning about germs and dental hygiene in health. In P.E., we are working on floor hockey skills and will soon start our outdoor soccer unit.

### LIBRARY w/Mrs. Pearson & Mrs. Byrne -

Students are learning the categories for classification in our non-fiction section.

### MUSIC w/Mr. Rojas -

We've learned about all the instruments of the orchestra and the different families of instruments! Now we are starting a Drum Circle unit where we will clap and sing many different songs from various cultures!

### SPANISH w/Señorita Solis & Señora Kane

We will learn about the places and the people that make our community special while looking at other communities around the world as we compare them to Brookfield.

## Grade 3

### ART w/Mrs. Meadows -

The third graders are preparing for their final assessment in Color Theory. Students will be working on special art show projects.

### HEALTH/PE w/Mr. Cudney & Ms. Olivier -

Third grade students have been learning about germs and organs of the body in health. During P.E., we have been reviewing our floor hockey and soccer skills.

### LIBRARY w/Mrs. Pearson & Mrs. Byrne -

Students have been learning about writing styles and matching them to texts in our library.

### MUSIC w/Mr. Rojas -

We've been composing our own original recorder songs! Parents stay tuned for more information about classroom concerts for the recorder.

### SPANISH w/Señorita Solis & Señora Kane

We will learn about the people and places that make our community special while also comparing and contrasting communities in other countries.

## Grade 4

ART w/Mrs. Meadows - 4th graders are preparing for their final assessment in the Elements of Art. I am activating Classroom Mode in Artsonia so that students can upload a work of art & artist statement. This will help prepare them for WMS art experiences.

### HEALTH/PE w/Mr. Cudney & Ms. Olivier -

Our fourth grade students are learning about germs and HIV/AIDS in health. During P.E., we have been mastering our floor hockey and soccer skills.

### LIBRARY w/Mrs. Pearson & Mrs. Byrne -

Fourth graders have begun working on their final project of the year, an opinion piece, indicating how the 'portables' area should now be used.

### MUSIC & BAND w/Mrs. Fitzgerald & Mr.
