

Administration

Emergencies and Disaster Preparedness

All employees of the school system are responsible for doing everything in their power to promote the safety of all of the students at all times.

The building Administrator shall maintain working regulations and procedures for fire, bomb threats, civil defense, and other emergencies.

The fire alarm system, regular and emergency exits, fire prevention measures, and a sensitivity among students and employees to the importance of smooth working emergency procedures shall be maintained.

First Aid

The school administration is to be responsible for seeing that at least one person at each school site is trained in first aid.
