Student Organizations

The Brookfield Board of Education encourages and suggests the formation of and participation in student organizations. Such organizations shall operate within the framework of the law, Board policy, administrative rules, and the parameters of the learning program. Their establishment and operation shall be facilitated in reasonable ways by district staff and through utilization of district resources.

The Superintendent shall develop general guidelines for student organizations. Such guidelines shall require the assignment of at least one faculty advisor to each student organization. Any student organization that requires the expenditure of budgeted funds, or that may engage in activities of a controversial nature, must have Board approval.
