

Community RelationsSchool Directory of Personnel

The Brookfield Public Schools Staff Directory will be published annually each fall by the Superintendent of Schools or his/her designee. The school calendar, business office staff and substitute calling information and the name, address and telephone number of all Board of Education and staff members shall be included. Anyone who chooses not to disclose his/her address and/or telephone number may request that it not be included. The Staff Directory will be distributed only to those people listed therein.
