

Community RelationsSchool System Annual Report

The Strategic School Profile for each school and district summary are produced annually by October 1.

- to serve as an accountability system which informs the public about what is happening in the Brookfield Public Schools; and,
- to stimulate school improvement through shared information.

The profiles will be sent to the Connecticut State Department of Education for their records as mandated and will be made available in the office of each school and in the office of the Assistant Superintendent of Schools for review by parents and other community members.

Each Strategic School Profile contains detailed information including:

1. School Characteristics
