

Community RelationsSoliciting Funds by Community Groups from School Personnel

The Board of Education will sanction only one outside sponsored fund-raising drive per year upon recommendation of the Superintendent of Schools.

No additional solicitations for contributions from teachers will be permitted unless prior approval has been granted by the Board of Education.

Every precaution shall be taken to ensure the voluntary nature of any authorized solicitation. No distinction between contributors and non-contributors shall be made. This shall not prohibit dissemination of authorized promotional literature, but shall prohibit use of buttons, tags, or other display devices intended to designate contributors publicly.

Any authorized solicitation shall be scheduled and conducted in such a manner as to reduce to a minimum interruption of the regular school activities.

The participation of an employee in "flower funds," "sickness and bereavement funds," "anniversary funds" and the like shall be a matter of individual discretion.
