

Code of Conduct Statement for Students and Volunteer Chaperones

I understand that the field trip to _____ on _____
Is a school-sponsored activity and that all school policies, rules and regulations that apply to school-sponsored activities does apply to field trips. The Board shall enforce this standard regardless of any less restrictive local or national laws that may exist or variances in culture or customs. I also understand that I am required to comply with any local and foreign laws that are more restrictive than Connecticut and U.S. laws. Finally, I understand that if I violate Field Trip Policy #6453 that I shall be subject to discipline as described in the policy.
