

Edgenuity at BHS

Online credit recovery, enrichment, and test prep

CAPE

November 19, 2020

What?

Edgenuity licences for every student

Customizable online instruction and assessment platform

Works on any device with reliable internet access

BHS teachers have access to curricular resources

[Edgenuity CT Course List](#)

Why?

Master content and skills

Recover lost credits

Explore unique courses

Prepare for placement tests

How?

Direct-instruction videos with real on screen teachers

Student self-paced (pause, rewind, and take notes)

Student pre-tests

Student supports and scaffolds (read-aloud, highlighting, and translation in 60+ languages)

Customizable (sequencing, adding teacher-created content, and mixing course content)

How?

Real-time completion and performance (units, lessons, activities, and time on task)

Family portal (attendance logs and performance reports)

Overseen by Department Heads and Building Administrators

Other schools in CT

North Branford High School

Windsor High School

Seymour High School

Norwich Free Academy

Why now?

SIG for high-needs population

Limited in-person credit recovery options

Making online content available during COVID-19 pandemic

Future investments can support teachers and students
