

Students

Student Records, Confidentiality

The Board of Education recognizes the legal requirement to maintain the confidentiality of student records. The Superintendent shall develop regulations to ensure that all requirements of federal and state statutes and regulations are met by the district. The intent of this policy is to ensure that the following conditions occur:

The Superintendent/or designee shall ensure the following:

- ~~Parents/guardians shall be informed annually of their rights and under what conditions their prior consent is not required to disclose information.~~
- ~~Parents/guardians and eligible students shall be permitted to inspect and review educational records and shall be provided a statement of the procedure to be followed. The procedure shall allow conditional access to education records; shall provide a description of the circumstances in which the district feels it has a legitimate cause to deny a request for a copy of such records; shall provide a schedule of fees for copies; and shall provide a listing of the types, descriptions and locations of education records maintained by the school and the titles and addresses of school officials responsible for those records. The school district shall notify parents of secondary school students that it is required to release the student's name, address, and telephone listing to military recruiters and institutions of higher learning upon request.~~
- ~~Parents or eligible students may request that the district not release this information and the district shall comply with the request.~~
- ~~The school district shall will retain and dispose of the district's student records per applicable state statutes.~~
- ~~The school shall not disclose personally identifiable information from a student's education records without the prior written consent of the student's parent/guardian except as otherwise permitted by board policy. Specify the criteria for determining which school officials may be informed of personally identifiable information. The school shall specify the personally identifiable information to be designated as directory information.~~
- ~~The school shall maintain the record of disclosures of personally identifiable information from a student's education records and permit a parent/guardian to inspect that record.³~~
- ~~The school shall provide a parent/guardian with an opportunity to seek the correction of the student's educational records through a request to amend the records or a hearing, and shall permit the parent/guardian or an eligible student to place a statement in the education records of the student.~~
- ~~The school shall guarantee access to student records to authorized persons within ten business days following the date of request. Where a request is made by a parent of a student receiving special education such records shall be provided within five (5) business days of receipt of such request. Where a request is made by a parent of a student~~

definitions (Continued)

- ~~in order to prepare for a planning and placement team meeting, or a due process hearing, such records shall be provided within three (3) business days of receipt of such request.~~
- ~~The school shall assure security of students records.~~

~~This policy, as applicable to the release of student directory information, applies equally to military recruiters, the media, colleges and universities and prospective employees.~~
