RE: October 1, 2023 Enrollment

Attached please find the current Brookfield Public Schools 2023-2024 student enrollment data as of October 1, 2023. The enrollment for the past four years (20-21, 21-22, 22-23 & 23-24) is attached. There is comparison data for each school's enrollment; Pre-K through Grade 12 and total grade level enrollment. Finally, three sub groups are compared; special education enrollment, free/reduced lunch qualification enrollment, and Multilingual Learners (MLs) enrollment, formerly known as ELs (English Learners).

It is important to note that the information presented is accurate as of October 1, 2023. Throughout the year, these figures will likely change based upon several factors, including updates to student demographic information and whether students move in or out of Brookfield. We will closely monitor enrollment over the next few months as we develop the 2024-2025 spending plan. Please know that we will update the Board of Education again at the November 15, 2023 regular meeting regarding class size averages.

The sole reason for the existence of our profession is the student
