Mrs. Holley shared the results of the google poll regarding Board of Education presentations. The vote was in favor of both groups presenting together for 5-10 minutes each at the March 16th regular meeting.

Stakeholder equity group and Teacher quality group split into breakout rooms to review and comment on the other team's slide presentation.

After regrouping, members provided feedback, asked questions, and discussed the presentations.

Expectations were reiterated that groups will use feedback and work on finalizing slides for mock presentations at the March 10th meeting to further prepare for presenting at the March 16th Board meeting.

Adjournment: Mrs. Foster adjourned the meeting at 5:34 pm.

Respectfully submitted,
Amy Foster
