New Business

The committee voted unanimously to approve the minutes of the September 20, 2019 meeting.

New Business

- **School field use by the public during the school day-** the task force recommended that administration follow Homeland Security recommendations. Effective January 1, 2020, communication will begin informing the public that they will no longer be able to use the facilities during the school day while school is in session.
- **Discussion- BHS after school security-** The task force tabled discussion because Principal Balanda was not able to attend to provide an update.

Old Business

Continuation of Threat Assessment Discussion

- Follow up on technology- Eric Conklin had discussion with the task force and updates were provided on progress; back end & end user, cyber security actions.
- Follow up on equipment- Ken Post had discussion with the task force and updates were provided on progress. Dr. Barile and Mr. Post had a conversation with the Wilton Public Schools regarding their experience to develop threat assess protocols including a climate coordinator position.
- The administration along with Chief Purcell reviewed the content of the presentation form ***Deter and Detect*** regarding automated door locks and other technology.
