

Brookfield High School
2022-23 Program of Studies
Proposed Updates

OPERATING PROCEDURES AND PROTOCOLS

Deletion - *Requirements for a High School Diploma*

- Redundant language
- Grid shows what is needed

Revision - *Minimum Graduation Requirements*

- No need to separate years
- Same grid applies to all grades

Revision - *Mastery-Based Diploma Assessment*

- Changed the language from Senior Demonstration Project
- Project required a course we are unable to offer due to staffing
- Provides flexibility to implement different options to satisfy requirements

Addition - *Elective Categories*

- Added link to a grid that identifies elective categories
- Clarifies frequent questions

Revision - *Class Rank*

- Continue to rank through Class of 2025 while eliminating class rank for subsequent classes
- Rationale
 - Diminished importance in college admissions
 - Calculated using variable factors
 - Lacks contextual information
 - Creates unnecessary pressure for students and families
 - Limited recognition of academic achievement
 - Aligns with other high performing schools

Addition - *ECE symbol*

- Per request to differentiate ECE and AP courses
