DATE: May 1, 2024
RE: Subcommittee Composition/ July-December 2024

Attached please find the DRAFT subcommittee composition calendar from July-December, 2024.

As we drafted this calendar for your consideration, we noticed a few dates for the Board to review/discuss;

The approved date for the August, 2024 Board of Education meeting is August 14th. CAPE is tentatively scheduled to meet the same evening at 6:00pm. The Policy/Communications subcommittee is tentatively scheduled for August 21st. Typically, CAPE does not meet in August, therefore, the Board may want to consider moving the Policy/Communications subcommittee meeting to August 14th, should the Policy/Communications subcommittee choose to meet in August.

The Facilities subcommittee is tentatively scheduled to meet on Wednesday, October 2nd, which is the eve of Rosh Hashanah, therefore the meeting in October will need to be moved.

The Facilities subcommittee is also tentatively scheduled to meet on Wednesday, November 6th, which is the evening that Brookfield High School has conferences. The Board can decide whether or not to reschedule that meeting.
