Individual Student Reports - Smarter Balanced, CMT/CAPT Science, and Connecticut Alternate Assessment

September 15, 2017

Dear Parents and Guardians,

The individual student reports (ISRs) for the Smarter Balanced and Science assessments, that your students took last school year, will be coming home in the next week and a half.

The Connecticut State Department of Education has created a brief video to assist you with the interpretation of your student's Smarter Balanced report. This video is available in both English and Spanish. Both of these videos can be accessed via the links below. This information can also be found on the Brookfield Public Schools website at: [www.brookfieldps.org](http://www.brookfieldps.org)
