

ARP-ESSER (III) PLAN

Brookfield Public Schools
Strategic Coherence for Recovery & District Capacity

*Dr. John W. Barile
June 2, 2021*

\$827,975 through September 2024

The CSDE is encouraging districts to be bold and creative in transforming schools for meaningful and sustainable improvements. The CSDE is also emphasizing that districts view support through an equity lens and that districts are to serve those groups disproportionately impacted by the pandemic.

ARP-ESSER Priorities Align with the Brookfield Strategic Plan Goals

1. Prioritize student learning goals to ensure success in life, learning and work beyond school.
2. Support learning to ensure rigorous, digitally supported experiences aligned with student goals.
3. Develop measures of student and adult success aligned with student learning goals.
4. Align all organizational systems to ensure acquisition of student learning goals.
