

CES Kindergarten Suggested Supply List ~ 2023/2024

**As of April 26, 2023

Welcome to Kindergarten! We are excited to meet you!

Listed below are supplies that kindergarten students will use at school. Parents/guardians are asked to purchase these supplies and send them with students on their first day of school. If purchasing these items poses a financial hardship for your family, arrangements can be made to obtain a set of materials for your student. (Please contact your student's teacher privately when the class placements are shared at the end of the summer.) Your student's teacher will let you know when the supplies at school need to be replenished. Thank you!

STUDENTS SHOULD BRING THESE SUPPLIES TO SCHOOL WITH THEM ON THE FIRST DAY.
