

November 6, 2018 PD Day

Professional Development

Brookfield Public Schools

TSO for Preschool

School	Day of Week	Date	Time	Location	Session Title
TSO	Tuesday	11/6/18	10:00 AM-12:00 AM	TSO Curriculum Room	Social Emotional Learning for Preschool: An Overview & Introduction to the RULER Approach

Session Description: This session is designed for Preschool teachers and a parent team. Teachers and parents from five preschool programs in Brookfield will gather to learn about teaching strategies that promote social emotional competence in young learners. They will be introduced to the RULER approach and an overview of the Anchor Tools developed at the Yale Center for Emotional Intelligence. Participants will engage in a make-and-take activity that supports one of the Anchor Tools of RULER - the meta-moment and can be used in their classrooms or home tomorrow.

Presenter: Maureen Ruby, Assistant Superintendent

School: CES

School	Day of Week	Date	Time	Location	Session Title
CES	Tuesday	11/6/18	8:00 AM-11:00 AM	CES cafeteria	Math Workshop Model at the Primary Level

Session Description: Teachers will learn about the Workshop model and how to implement the model for math instruction. As part of this learning, teachers will identify the components of the gradual release model as well as discuss differentiation and the role of number sense in the K/1 classroom. Teachers will use a Workshop Model template and with the My Math program design a lesson using the Workshop Model elements. Together teachers will collaborate and design a future lesson for implementation; focusing on differentiation.

Presenter(s): Tiffany LoConte

School	Day of Week	Date	Time	Location	Session Title
CES	Tuesday	11/6/18	11:45 AM - 3:00 PM	CES cafeteria & curriculum room	ELA- Writing Microprogressions and Data Team meetings

Session Description: Teachers will collaborate with grade level colleagues to establish focus areas for writing instruction and identify high leverage skills to use in developing microprogressions, then break into groups to develop those microprogressions. Teachers will participate in grade level data team meetings to plan instruction and assessment for the upcoming learning cycle in reading.

Presenter(s): Mary Rose Dymond and Danielle Rudl

School	Day of Week	Date	Time	Location	Session Title
CES	Tuesday	11/6/18	10:00 AM - 12:00 PM	TSO curriculum room	RULER in the PreK classroom

Session Description: Participants will be introduced to the RULER Approach to supporting Emotional Intelligence. Additionally, they will engage in a "make and take" related to the implementation of the approach.

Presenter(s): Maureen Ruby

School	Day of Week	Date	Time	Location	Session Title
CES	Tuesday	11/6/18	8-9:30 AM, 1-3 PM	CES PreK classroom	Numeracy in the PreK classroom

Session Description: PreK staff will review the kindergarten readiness skills for numeracy and cross walk them with the ELDS. They will then develop center activities that support students' understanding of numeracy concepts and development of skills.

Presenter(s): Kim Hammer, Lorna Bufkin, Kerri Bell - facilitators

School: HHES

School	Day of Week	Date	Time	Location	Session Title
HHES	Tuesday	11/6/18	8-3	HHES	Curriculum Work with Dr. Alcock

Session Description: The HHES Core Curriculum Team will receive feedback on curriculum design products including p-scales, assessment placeholders, and item banks. Teachers will work with Marie to ensure alignment. Additional staff members will partake in this work to build capacity of all HHES staff members.

Presenter(s): Dr. Marie Alcock

School: HHES

School	Day of Week	Date	Time	Location	Session Title
HHES	Tuesday	11/6/18	8-3	HHES	F&P Continuum and MSV Analysis

Session Description: Using the Gradual Real Model, teachers will learn how to analyze errors using MSV analysis and build their knowledge of the F&P continuum. Teachers and the facilitator will work together to analyze errors of sample running records using MSV analysis. In addition teacher will use the F&P Continuum book to understand text features and characteristics. The learning outcome is for teachers to gain a better understanding of how the F&P can be used as an effective progress monitoring tool to guide instruction. Teachers who attend this PD will then turn key new information with the help of the facilitator to their grade level communities (colleagues that missed it).

Presenter(s): Marlene Ferguson

School: WMS

Science - Grades 5-8

School	Day of Week	Date	Time	Location	Session Title
WMS	Tuesday	11/6/18	8-3:00	WMS	Content and Skills
WMS (6th grade)	Tuesday	11/6/18		WMS	Smithsonian Training

Session Description: The standards have been updated to accurately reflect the new Smithsonian units. The teachers will review how to lay out the content and skills in Rubicon Atlas. Teachers will then break up into grade level content to work on completing this task.

Presenter(s): Rachel Cohen and Smithsonian Presenter.

Math - Grades 5-8

School	Day of Week	Date	Time	Location	Session Title
WMS	Tuesday	11/6/18	8-9:30	Rm 1134	Communicating STAR Math Scores
WMS	Tuesday	11/6/18	9:30-3	Rm 1134	Priority Standards and YLC

Session Description: Teachers will make a plan for communicating STAR Math scores to students. Teachers will be provided with Individualized Learning Plan Templates that can be used for interventions with students based on STAR reports.

Teachers will finalize the priority standards for reporting. Then teachers will review the Year Long Context on Atlas Rubicon to finalize content/skills, essential questions, etc, for individual units.

Presenter(s): Mark Jewett and Jim FitzPatrick

Literacy - Grades 5-8

School	Day of Week	Date	Time	Location	Session Title
--------	-------------	------	------	----------	---------------

WMS Tuesday 11/6/18 8-11:30 WMS Using the SBAC IAB's and Multiple Points of Data Strategically

Session Description:

(Teachers should bring their SBAC data they were given by core.)

This session will cover the following topics:

- Overview of the IAB's
- Analysis of SBAC data and sharing of the CT SBAC CAT Test Blueprint
- Develop a schedule for which IAB's will be administered and when
- Instructional Planning considerations including using the data analysis from the AIRWAYS and Online Reporting Systems, weaving instruction into TCRWP units, and the Connections Playlists

Presenter(s): Aggie Burns

Susan Crean, library media specialist, will do a short presentation at the end on the 2018 summer reading program and some of the online programs available for teachers.

School	Day of Week	Date	Time	Location	Session Title
WMS	Tuesday	11/6/18	Noon--1:00	WMS	5th Grade Teachers- Reviewing the Notes and Videos from Amanda Arens' Visit in October

Session Description:

The 5th Grade literacy teachers will have the opportunity to review the notes and videos from Amanda Arens' visit in October in preparation for her November visit.

Presenter: Aggie Burns

School	Day of Week	Date	Time	Location	Session Title
WMS	Tuesday	11/6/18	1:00--2:00	WMS	5th & 6th Grade Teachers- Fluency Instruction for Middle School

Session Description:

This session will review what fluency is, its role fluency in reading, and provide instructional strategies for middle schoolers.

Presenters:

Kim Mitchell and Anne Heath

School	Day of Week	Date	Time	Location	Session Title
--------	-------------	------	------	----------	---------------

WMS Tuesday 11/6/18 12:00--1:00 WMS 7th & 8th Grade Teachers-Fluency Instruction for Middle School

Session Description:

This session will review what fluency is, its role fluency in reading, and provide instructional strategies for middle schoolers. Teachers will also receive information about the DIBELS 8 pilot for a targeted population.

Presenters:

Kim Mitchell and Anne Heath

School	Day of Week	Date	Time	Location	Session Title
--------	-------------	------	------	----------	---------------

WMS Tuesday 11/6/18 2:00--3:00 WMS Rubicon Atlas: P Scales for the Remaining Standards/Questions For Dr. Alcock

Session Description:

This session will provide the opportunity for teachers to work on the P Scales for the remaining, unprioritized standards and add questions for Dr. Alcock to our Google doc.

Presenter:

Aggie Burns

Social Studies - Grades 5-8

School	Day of Week	Date	Time	Location	Session Title
--------	-------------	------	------	----------	---------------

WMS Tuesday 11/6/18 8-3 WMS Identifying Skills and Content

Session Description:

- Begin with checking the progress of each grade level in Rubicon Atlas.
- A model of content and skills will be displayed (question/answer period).
- Work on content and skills sections will commence for grades 6 and 8.
- 7th grade will fine tune content and skills, while also updating the 5th grade atlas.
- Any remaining questions from the last PD session will be answered.
- Share past QFT lessons and future plans for implementation.

Presenter(s): Jessica Garthwait

Special Education Teachers - Grades 5-8

School	Day of Week	Date	Time	Location	Session Title
District Special Education	Tuesday	11/6/18	8-11:30	WMS Conf. Rm	Best Practices in

Session Description: Special Education teachers will work with the Special Education Supervisor to review the following:

SBAC / Alternative Assessment protocol, benchmark assessment data collection to support progress updates and to support ESY recommendation, and SONDAY protocol / benchmarking and grouping.

Presenter(s): Gina Wygonik

School: BHS

School	Day of Week	Date	Time	Location	Session Title
BHS	Tuesday	11/6/18	8:00-11:30	BHS Library	Designing Standards-Aligned Learning Targets and their connection to the CCT

Session Description: Faculty will use content-area standards to design measurable and observable learning targets to promote student learning in their classrooms.

Presenter(s): Marc Balanda, Liz Spencer, Andrew Hill, and Kemen Holley

School	Day of Week	Date	Time	Location	Session Title
BHS	Tuesday	11/6/18	12:00 - 3:00	BHS Library/Classrooms	Rubicon Atlas - YLC and P-scales

Session Description: Faculty will review established YLCs and continue the development of course specific p-scales.

Presenter(s): Liz Spencer and Andrew Hill

Special Education & Pupil Services

School	Day of Week	Date	Time	Location	Session Title
--------	-------------	------	------	----------	---------------

District Training Tuesday 11/6/18 8-11:30 HHES ELC Physical Management

(PMT) Refresher

Session Description: Refresher training in PMT. This training is only for staff members who had an Initial or Refresher training within the last 18 months.

Presenter(s): Jennifer Naylor and Cori Rafferty.

School	Day of Week	Date	Time	Location	Session Title
District meeting	Tuesday	11/6/18	12:30-3	TBD	Special Services Department

Session Description: Discuss new procedures in the Special Services department. Special topics will include: IEPs for English Learners with disabilities.

Presenter(s): Christine Sipala

Arts and Music

School	Day of Week	Date	Time	Location	Session Title
WMS	Tuesday	11/6/18	8-3	WMS	Recruitment, Alignment

Session Description: Each elective “strand” of the department will meet K-12 to outline recruitment that is already in place and discuss its efficacy. If the program enrollment is suffering, we will dig to find root causes and start to plan to change/amend the recruitment processes we find to be problematic.

We will also continue dialogue on K-12 alignment.

Presenter(s):

Margaret Fitzgerald

Health and PE
