

PowerTeacher Pro – Student Demographic & Parent Information

Launch the POWERTEACHER PRO GRADEBOOK

The screenshot shows the PowerTeacher Pro interface. The top navigation bar displays the class name "1(A1,A2) Calculus BC - AP - 19-20". The left sidebar contains navigation icons for Class, Grading, Students, Progress, Reports, Settings, and Apps. The main content area is titled "Student View" and lists various options: Assignments, Standards Progress, Standards Scoresheet, Comment Log, Quick Lookup - Traditional, Quick Lookup - Standards, Demographics, and PowerTeacher Portal. A search box and a filter dropdown are also visible. Three red arrows point to specific elements: one to the class name dropdown, one to the "Students" icon in the sidebar, and one to the "Demographics" option in the main menu. Three green callout boxes provide instructions: "1. Click the arrow and select section from drop down menu" (pointing to the class name), "2. Click STUDENTS" (pointing to the sidebar icon), and "3. Click DEMOGRAPHICS" (pointing to the menu item).

1. Click the arrow and select section from drop down menu

2. Click STUDENTS

3. Click DEMOGRAPHICS

The screenshot shows the "Demographics" page in PowerTeacher Pro. The page title is "1(A1,A2) Calculus BC - AP - Demographics". Below the title is a list of demographic fields: Name (Last, First MI), Address, Mailing Address, Home Phone, Age, Aggregate days of membership (YTD), Area/neighborhood, DOB, and Ethnicity. A red arrow points to a small blue downward-pointing arrow icon next to the page title. A green callout box contains the instruction: "4. Scroll to different students by clicking arrow".

4. Scroll to different students by clicking arrow
