RE: Enrollment

Attached please find the current Brookfield Public School 2016-2017 student enrollment data as of October 1, 2016. The enrollment for the past three years (14-15, 15-16 & 16-17) is attached. There is comparison data for each school's enrollment; Pre-K through Grade 12 and total classroom enrollment. Finally, three sub groups are compared; special education enrollment, free/reduced lunch qualification enrollment, and English Language Learner (ELL) enrollment.

It is important to note that the information presented is accurate as of October 1, 2016. Throughout the year these figures will likely change based upon several factors, including updates to student demographic information and whether students move in or out of Brookfield.

We will closely monitor enrollment over the next few months as we develop the 2017-2018 budget. Please know that we will update the Board of Education again at the November 16, 2016 regular meeting regarding enrollment and class size averages.

The sole reason for the existence of our profession is the student
