How do we  
interpret this  
picture?

# Questions answered in Honor's Psychology

- How do we explain behavior?
- How does our brain impact our behavior?
- How do we sense and perceive the world?
- Why do we sleep and dream?
- How do we learn?
- Why do we remember or why do we not remember?
- How do we think?
- How do people develop?
- What motivates us?
- How do we act in groups?
- What is abnormal behavior and how do we treat it?

# Goals:

- Goals:
- To scientifically study human behavior
- To gain knowledge about how psychologists study human and animal behavior.
- To learn practical applications for enriching our lives.
- To reinforce the knowledge, skills, and attitudes necessary for effective thinking, evaluating, writing, speaking, listening and reading.

# Do you sleep enough?
